

STAINES PLANT TRAILER WITH SPRUNG RAMPS

Our Staines sprung ramp Plant trailer is manufactured using a heavy duty chassis and a sturdy drawbar with 38mm treated timber floor as standard. The spring assistance on our sprung ramps aids in the manual handling of lowering the ramps to the floor. The angle set on the beavertail will allow for a more gradual tracking angle, for equipment up to 4 ton. Available as a tandem or tri-axle.

STANDARD PLANT TRAILER SPECIFICATION

Carrying Capacity:	22,000 kg - Tandem 32,000 kg - Tri	Tyres:	Mini super singles 445/45 R19.5
